

Skirts

Skirts can be done in the fabric of your choice. *Stretch lycra is advised for practice and competition skirts. For these skirts no zipper is needed. Please feel free to create your own design or variation of already available styles.

3010 A-line Latin skirt with fringe

- A-line Latin skirt with uneven hem and slit over left leg.
Hem is finished with fringe.

3004 Latin A-line variation

- A-line Latin skirt with uneven hem and slits over left leg and on the sides.

3009 Latin skirt with scarf

- Straight mid-length skirt with zipper.* Can be done with or without waistband. Long scarf gives the skirt special Latin flair. Create your own design every time you wear the skirt by pinning the scarf differently.

3008 A-line Latin skirt

- A-line Latin skirt with slit on the side.

3007 Latin skirt with lowered back

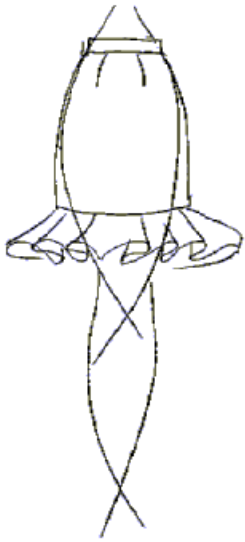

- Straight mid-length skirt with zipper.* Can be done with or without waistband. Hem is lower on the back, finished with uneven circular ruffle.
- Ruffle can be substituted with silk or beaded fringe of different length (ask for available length)

3012 Latin skirt with raised front

- Straight mid-length skirt with zipper.* Can be done with or without waistband. Hem is finished with circular ruffle.
- Ruffle can be substituted with silk or beaded fringe of different length (ask for available length)

3013 Latin skirt with even hem

- Straight mid-length skirt with zipper. *Can be done with or without waistband. Hem is finished with circular ruffle.
- Ruffle can be substituted with silk or beaded fringe of different length (ask for available length)

3014 Straight skirt with uneven sides

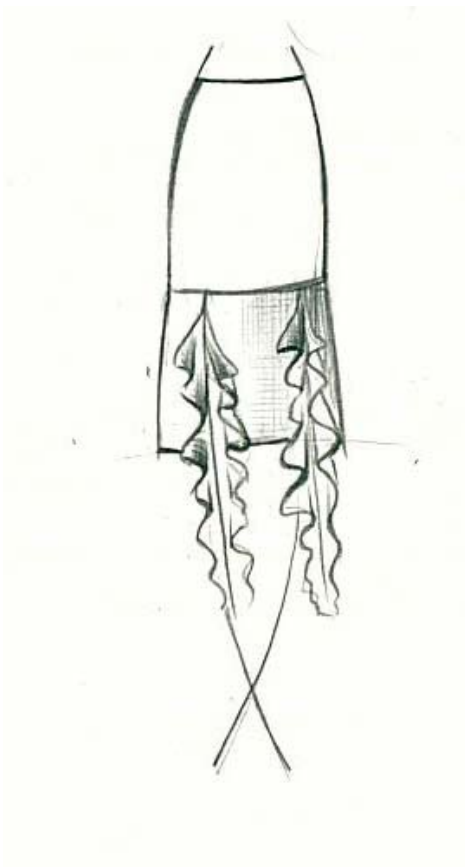

- Straight skirt with zipper.*Can be created with or without waistband. Hem is finished with circular ruffle. Ruffle can be done in short, medium or long length.
- Ruffle can be substituted with silk or beaded fringe of different length (ask for available length)

3015 Straight skirt with uneven ruffle

- Straight skirt with zipper.* Can be created with or without waistband. Hem is finished with uneven circular ruffle. Ruffle can be done in short, medium or long length.
- Ruffle can be substituted with silk or beaded fringe of different length (ask for available length)

3002 Straight skirt with 4 scarves

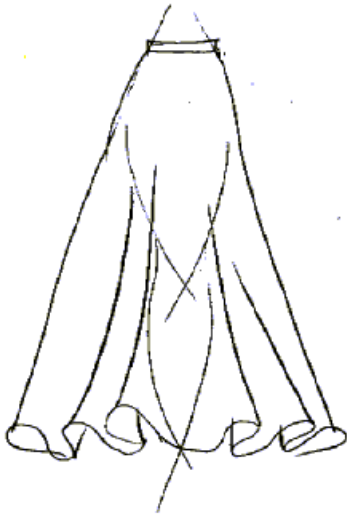

- Straight skirt with 4 scarves. Can be done in short, medium or long length.

The scarves will fly open as you move around the floor.

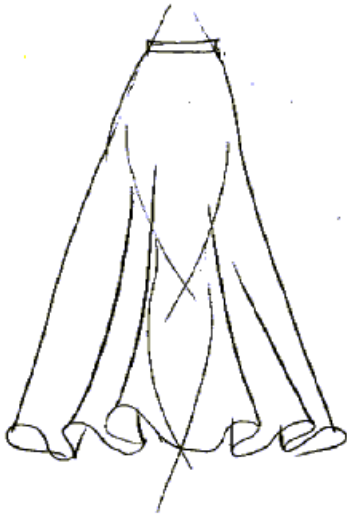

Any number of scarves can be added for additional effect.

3016 Circle skirt

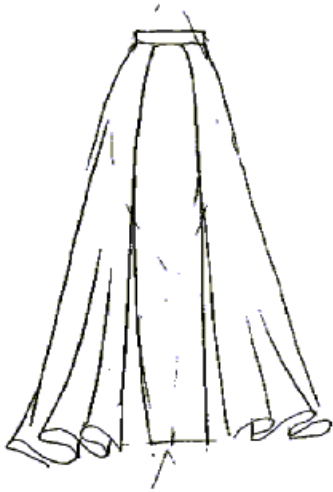

- Circle skirts. Available in 1, 1 1/2 or 2 circles.
- Can be made to any length; with or without zipper and waistband.

3017 Two panel skirts

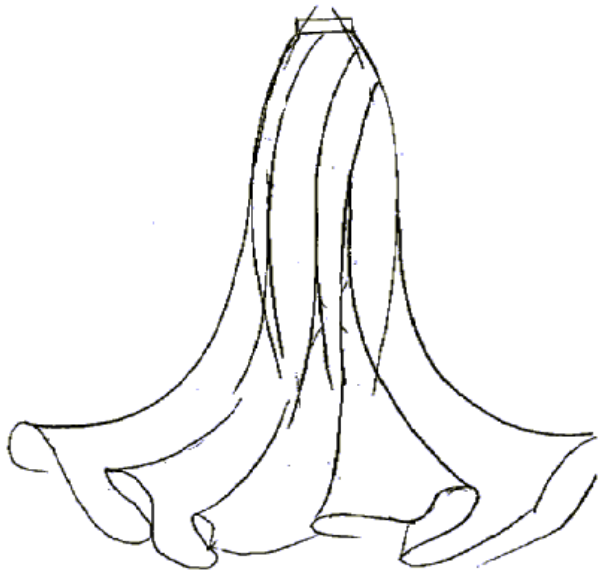

- A-line, slightly flared or flared skirt, above ankle, has waistband and side zipper.*
- Can be done with slits on sides to free more room for movement.

3011-1 Circle skirt variation

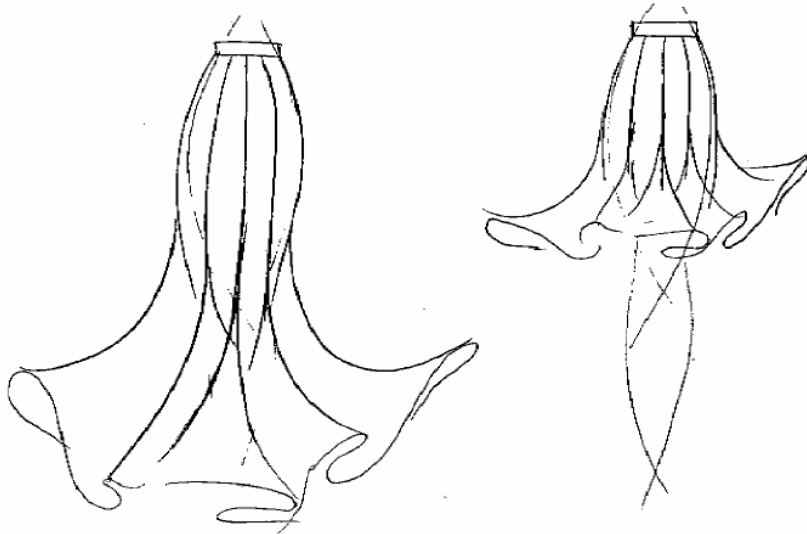

- Circle skirt with slits over both legs.
- Available in 1, 1 1/2 or 2 circles.
- Can be made to any length; with or without the zipper and waistband.
- Build-in panties is an option.

3005, 3006 “Spiral Godet” skirt

- Semi-fitted or fitted flared skirt with inserts. Has waistband and side zipper.* Hem circumference measures to full ballroom gown size.
- Can be done in short, lower-calf or evening-length.
- Customize your skirt with inserts of different colors. Makes a beautiful party or beginner level competition skirt.

3018 “Godet” skirt

- Semi-fitted or fitted flared skirt. Eight panels. Has waistband and side zipper. Hem circumference measures to full ballroom gown size.
- Can be done in short, lower-calf or evening-length.
- Customize your skirt with panels of different colors. Makes a beautiful party or beginner level competition skirt.
